

# Do you know how to spot an imposter scam?

Scammers pretend to be someone they're not to trick you into giving them money, access to your financial accounts, or your personal information.

## Imposters Pretend To Be Someone Else

Like a caller from a company or organization you know

## Imposters Say There's a Problem

Like suspicious activity on your account and connect you with a government "helper"

## Imposters Pressure You

To move your money to "protect" it or pay them right away
